

ST. PAUL'S COLLEGE

FEE REMISSION SCHEME UNDER THE DIRECT SUBSIDY SCHEME

It is our strong belief that no student should be denied admission to St. Paul's College due to financial difficulties. There will be a generous fee remission scheme provided by the College. Up to 30% of the school fee received may be used to assist families requiring financial help.

(A) BASIC CRITERIA FOR FEE REMISSION

Four categories of Fee Remission are available: 100%, 75%, 50% and 25% depending on the Reckoner.

For those eligible families having more than one child attending the Primary Section/Secondary Section of St. Paul's College, the percentage of fee remission for the additional child (or children) set out above would be increased by 25% (limiting to a maximum of 100%).

If the value of the family's net assets (exclusive of the asset value of self-owned or co-owned property for dwelling) exceeds \$400,000, 2% of the excess amount will be added to the applicant's total average monthly adjusted family income.

Applicants receiving Comprehensive Social Security Assistance (CSSA) will be granted full school fee remission.

(B) APPLICATION PROCEDURES

Parents/guardians who wish to benefit from the Fee Remission Scheme must submit the completed application form (please download the detailed scheme from our College website) together with copies of the required documents, not later than a date to be notified. All information provided in the application form and the supporting documents submitted are subject to strict verification.

(C) CLOSING DATE FOR APPLICATION

The completed application form and supporting documents must be returned to the College Office on or before a date to be notified.

(D) The above rules and policies will be reviewed from time to time.
