Message from the PTA Chairlady

Strolling down memory lane and looking ahead

Dear Parents/Guardians,

Autumn is the season for reunion: primary, secondary and university. Watching the slide show of old photos during the homecoming dinner of the university, I realized that people are most enthusiastic about their secondary school reunion. Our best friends were usually met in Form 1 or 2; we developed our organizing and leadership skill in Form 3 or 4; we chose our career path initially during Form 5, 6 or 7.

As parents, how can we help our sons and daughters in the most important period of their life, especially in this fast changing world with so many new challenges ahead, such as the NSS (3-3-4 or New Senior Secondary)? The PTA is trying our best to promote Home-School co-operation for nurturing our children.

In November 2009, the F.1 Parent Networking Night was held to give parents an opportunity to get together, share experiences and exchange ideas. In January 2010, we are delighted to have Miss Blanche Tang, (鄧藹霖女士) (a renowned Radio host and writer on parenting) invited, to give us a talk on communicating with our children.

The voluntary service at the Carnival of the Hong Kong Society for the Blind last year was highly recommended by the participating families who have learnt a lot about the world of the visually impaired, and have gained satisfaction by helping others. Hence, we will organize it once again this year. There will also be a parent-child educational field trip, Form 5 Parents' Night, joint school activities and more events are upcoming. Please visit our website (www.spc.edu.hk/pta/) for further information about the notices, activity news, photos and newsletters.

Wish you all a Happy Chinese New Year of the Tiger, and a Progressive One!

Best regards,
Josephine Chan

聯校工作坊

2009年7月11日，由英皇書院家長教師會及聖保羅書院家長教師會聯合舉辦之【聯校家長培訓工作坊】於英皇書院舉行。當日設有兩個主題，一是「父母如何教導子女理財」，另一是「與孩子談情說性」。工作坊提供了許多新思維，讓家長與子女共同探討。

日期：2009年5月29日（星期五）

中五家長黃昏茶敘

中五家長黃昏茶敘是透過茶敘，讓中五學生家長為子弟升學或就業得到各方面的諮詢，茶敘還邀請專業社工隊出席，輔導家長和其子弟一起去面對會考放榜。家長們更可互相交流分享心得，藉此紓緩對子弟放榜的壓力。

週年陸運會後感（一）

As one of the F.1 parents, it was my first time to join the Sports Day of St. Paul College. It was a sunny day and was most suitable to play the scheduled sports events.

Before entering the sportsground, I could hear thunders of voices shouting with the help of the marching drums to encourage their House members to reach a unite target of winning in the field. The spirit and attention of the students was so high that I felt the sun was not so hot throughout the day. The climax of the Day had drawn the full attention of both teachers and students. It happened when the relay matches of the Parents' teams, PTA teams, Teachers' teams and Senior Form students began. I enjoyed the day very much since my son, Clarence and I had participated in the Parents' team too.

After the excitement of all the sport events, the most welcoming schedule of the day - prize presentation by the Honourable Principal with the assistance of the PTA Chairlady then lead to an end of the Day.

It was a facinating and impressive day to me as I could share the joy and happiness of students and teachers of St. Paul's College.

中一家長黃昏茶敘後感（一）

聖保羅書院家教會於二〇〇九年十一月十七日黃昏舉行中一生家長茶敘。這晚家教會的委員很熱情接待，預備了很多精美食物，有些美點還是他們親自製造，但最重要的，就是他們為所有參加這晚會的家長，精心策劃了目錄安排表，提供很多聖保羅書院及我們兒子在校的信息。例如家長如何登入學校的內聯網。我真的很感激家教會委員能坐言起行，在百忙中為各家長安排了一個愉快及實用的晚會。

關於我們的孩子，在會上各位家長也有感而發，孩子真的長大了……我的兒子開始學會有責任感、知道自己應負的責任。雖然大部份的家長都有同感，覺得孩子們在學業上要多加努力；但大家都很有信心兒子會慢慢適應學校的生活而有所進步。我也相信校方會用合適的方法來教導我們的孩子、並謹遵「寅畏上主是為智之本」的校訓。在此希望中一C 班的家長可以多些敍會、聯絡，多了解孩子在班上和校內的情況，以便互相協助。

中一家長黃昏茶敘後感（二）

很感謝學校安排這樣一個機會，讓家長能了解每個孩子在新校園以及新環境的一些情況。在分享當中，大家都發現一個共同點，就是孩子們像是開心多了，獨立程度也比以前進步了，也了解到學校有別於其他傳統的學校功課繁重。聖保羅的優點在於為初升讀中學的學生提供輕鬆靈活的教學方式，以開啟孩子的思維能力及適應環境，重點在培養學生們全人發展。

1C 家長 王碧樺

值得一提的是學校安排了「教育營」這個項目讓學生有一個好的機會操練自己，使身心都大有益處。

週年陸運會後感（二）

這一天我感到既興奮又感動。因為可以與小兒一起站上運動場上的頒獎台，接過獎牌的一刻實難掩內心的高興。這當然要多謝家教會舉辦是次的親子接力競賽項目，同時亦要多謝太太從旁鼓勵兒子與我一同參與。希望藉此次活動能增加小兒的自信心，並鼓舞小兒多參與校內群體活動擴闊眼界，勇於面對挑戰。

It's great to have a chance to race with my schoolmates together with their parents. I'd like to say thank you to my family and friends for their support. Also, I'd like to thank the school and the PTA for providing such an excellent platform for all of us to meet and race together. Through this, we have an opportunity to strengthen the relationship and fill up the generation gap between the children and their parents. This event is quite healthy and meaningful that nobody should miss it! I wish to see all of you together with your parents in the upcoming events!

I would like to offer my congratulations to Ms. Chan Wai Man, Josephine on her election to the position of the PTA Chairlady. Josephine, the mother of Derek Yan in Form 2F, has many qualities that she brings to the role and the College is looking forward to working with her and the other new members of the PTA Executive Committee.

The New Senior Secondary (NSS) has arrived and its implementation has been smooth from the feedback I have received from Form 4 teachers, students and parents. The boys have responded well to the new curriculum structure and have adapted quickly to the new subject, Liberal Studies. The mid-year examinations will provide the first major indication of how the boys are progressing in their Core and Elective subjects.

The introduction of the NSS has also provided an opportunity for us to offer additional qualifications to the local Hong Kong Diploma of Secondary Education. From July 2010, the College will be encouraging boys with good academic results to sit for a selection of The International General Certificate of Secondary Education (IGCSE) examinations. In the case of students with excellent grades, consideration might be given to taking one or more international Advanced Levels (A-Levels). We envisage that the boys will be particularly interested in Science and Mathematics subjects although the choice will undoubtedly increase as the programme develops.

It is with this in mind that the College will be holding a Summer School at the University of Cambridge. The inaugural Cambridge Summer School will be held in July 2010, immediately following the end of the school year, and form part of our annual Global Classroom programme. To be based at Trinity Hall in the heart of Cambridge, the two-week course will focus on English Language, Physics, Chemistry, Biology and Mathematics. The Cambridge Summer School will be open to boys who will have completed Form 4 in July 2010, although outstanding students in Form 3 and 5 will also be considered. The programme will be taught by local Cambridge teachers and the curriculum based on the IGCSE and A-Level syllabuses.

I would also like to draw your attention to the other tours offered in the 2010 Global Classroom programme. There is certainly a great choice this year! The Music Department is off to China; the Geography Department to Iceland; the Economics Department to Dubai; the Art Department to Japan; the English Department to the United Kingdom; and the Physical Education Department to South Korea. In addition, there is an Eco-Tour to Canada. Full details are available on the College website - please take a look!

We are only one year away from our 160th Anniversary. In preparation for this event, the Hall will be completely renovated and refurbished during the second half of 2010. The design plans will be uploaded to the website for your information. The Hall will be the first of a series of upgrades to the school buildings at Bonham Road that will take place over the next few years. The Stewart Building, North Wing and East Wing are now more than 40 years old and their exteriors, in particular, require a facelift. I am confident that parents will support these projects and all donations to the St. Paul's College Foundation will be greatly appreciated.

With best wishes
