FEE REMISSION SCHEME

FEE REMISSION AND BURSARY SCHEME

It is our strong belief that no student should be denied admission to St. Paul's College due to financial difficulties. There will be a generous fee remission scheme provided by the College to assist families requiring financial help.

(A) SCHOOL FEES

The annual School fee for St. Paul's College 2020-2021 is \$40,400.

(B) BASIC CRITERIA FOR FEE REMISSION

Four categories of Fee Remission are available: 100%, 75%, 50% and 25% depending on the Reckoner.

For those eligible families having more than one child attending the Primary Section/Secondary Section of St. Paul's College, the percentage of fee remission for the additional child (or children) set out above would be increased by 25% (limiting to a maximum of 100%).

If the value of the family's net assets (excluding the asset value of self-owned or co-owned property for dwelling) exceeds \$400,000, 2% of the excess amount will be added to the applicant's total average monthly adjusted family income.
