

Dear Parent/Guardian,

The 160th Anniversary Community Awareness Project

Since its inception in 2008, the Community Awareness Project has become one of the stellar events in the Global Classroom Programme of St. Paul's College. Different service projects held in Henan (2009), Guizhou (2010) and Qinghai (2011) were well received by students and teachers.

The 160th Anniversary Community Awareness Project to Guangxi will take place from 8th July, 2012 to 19th July, 2012. Hosted by St. Paul's College, in conjunction with Christian Action and U-Hearts, the 12-day event will include conference and training sessions in Hong Kong and hands-on service projects in Guangxi.

Some thirty students and teachers from Australia and America have been invited to join the community awareness project. We are now recruiting thirty of our Form 2 to Form 5 students for the project and students interested are invited to apply. The approximate cost, after deducting the subsidy from the College, is HK\$5,400 per student.

If you would accept this invitation, please fill in the form below and return it to Mr. W. H. Wong with a cheque of HK\$5,400 made payable to "St. Paul's College" on or before 27th April, 2012. You are also kindly requested to sign and return the Waiver Form attached. For more details of the project, please visit the project website <http://spccap.shutterfly.com> or contact Mr. W. H. Wong at 28598542.

I hope you will make it possible for your son/ward to go on this meaningful trip.

Yours sincerely,

Principal
